

Genius Hour at Blue Mountain

Genius Hour is a time for personalized, creative learning. Students have the opportunity to explore topics based on their passions. Students are in charge of their own learning and engage in the investigative process while at the same time taking risks, learning from mistakes, and having fun!

Genius Hour at Blue Mountain

Genius hour is a special learning time to:

- investigate, explore and discover what you are interested in or passionate about (“I wonders”)
- take risks, make mistakes and learn throughout the process
- be proud, share and **HAVE FUN!**
